

Federal Investigative Unit—Department of Energy Security (DES)
Level 4—Internal Use Only

FILE 09: LAMONT, CLARA JOY (RIDER)

STATUS: ALIVE

DOB: 11 September 1972

Occupation: Government Liaison, Department of Energy Oversight
Division (embedded with SolGen)

Education: B.A. Political Science, Harvard University

Marital Status: Married — Spouse: Andre Lamont

Children: Two (Pierre, Male, 32; Louis, Male, 30)

Address: [REDACTED]

BEHAVIORAL NOTES:

- Politically ambitious; rumored to have investment holdings through blind trusts tied to SolGen's defense contracts.
- Attended a closed-door meeting with Reynolds and Chen two weeks prior to the murder.
- Has since refused to cooperate with investigators citing "national security."

ADDITIONAL INFORMATION:

Lamont represents the bridge between SolGen and federal authorization, complicating jurisdiction. Lamont acted as SolGen's liaison for federal regulatory compliance and funding review. Though publicly unaffiliated with Project Helios, internal emails show she approved security exemptions related to "sensor data acquisition scope."
